

Shelter Animals Wish List

Here are the items we need most to care for the animals in the shelter while they are awaiting adoption. Every gift makes life better for a shelter animal. **The items in bold are our most urgent needs.**

Items may be dropped at the shelter at 2435 State Route 352 in Elmira (next to the drive-in). To stay up to date on our most urgent needs, like us on Facebook. If you have something you think we might use that isn't on the list, give us a call!
